*Before the Honorables of Jones Street adjourned for the year, they considered more than 1,000 bills affecting everything from death to taxation—and such other functions as these bills addressed. We don't know if these two bills were related, but it seems that funds could be spent on outhouses in HB677 to facilitate the purpose of HB678.*

*These bills may not have been memoranda per se, but we thought they qualified under the doctrine of "What Will They Think Of Next?" If you think you've got a candidate for Memorable Memo, send it along to us. As always, anonymity guaranteed.*
