

# PARTING SHOT

\*\*\* THE CHARLOTTE OBSERVER, Thursday, June 21, 1992 5B

**A three trillion dollar deficit.**

**New holes in the ozone layer.**

**Unemployment at an all-time high.**

**The Hornets draft Alonzo Mourning.**

**On balance, it's been a pretty good year.**

Congratulations to the Charlotte Hornets on drafting Alonzo Mourning.

*Gee, Hornets basketball is a little more important than we thought! But then again, there's nothing like a good slam dunk or a blocked shot to comfort a jobless woman with skin cancer who is mourning the nation's debt.*
